#### **OPENING OF ANACOSTIA** SCHOOL IS POSTPONED

Improvements on Building Still in Progress-Masons Announce Election of New Officer.

Citizens of Congress Heights were much disappointed yesterday over the failure of the authorities to open the pub lic school in that suburb which has closed the entire term on account of im-provements. The promise was given that the children could re-enter this school directly following the Christmas holidays. but yesterday they were advised that it probably take the remainder of week to put the building in shape

Maccabees, outlined their work for the coming year at a meeting last night in Masonic Hall.

The Daughters of the King, of Emmanuel Episcopal Church, acted as hostesses to the members of the various chapters in the District last night in the

chapters in the District last right in the church. It was the annual visit of the chapters. Several addresses were made, one by the rector of the church, Rev. William Oscar Roome, jr., and work was outlined for the future.

Anacostia Lodge, No. 21, F. A. A. M., devoted its time last night to a social program in place of the usual business. Alfred T. Grimes, master, presided. Announcement was made of the election of Charles F. Roberts, past master of Ana-Charles F. Roberts, past master of Ana costia Lodge, to the position of junior grand steward of the Grand Lodge of Masons in the District. E. F. Wood entertained the members of

E. F. Wood entertained the members of the Brotherhood of St. Andrew of Em-manuel Episcopal Church at his home in Minnesota avenue last night. J. F. Hagan, The Museum collections comprise the Brotherhood of St. Andrew of Em-

Taylor, John H. Gates, George Gates, J. A. Harrison, Edward F. McMahon, and Simeon E. Harrison. Interment was in Mt. Olivet Cemetery. Mrs. Joseph H. Peacock has been re-elected president of the Altar Society of St. Teresa's Church for another year. PAINTINGS OF WESTERN SUBJECTS AT CORCORAN

TO SHOW PHILIPPINE HATS. Interesting Exhibit at National

Museum Will Open Shortly.

Among the household industries of the

Philippines, that of hat-making has in recent years become a leading one. In 1910, 621,575 hats were exported, 189,190 of

"straws"

entially American.

them coming to the United States. These figures indicate merely a small fraction of the possible growth which the hat insentially American.

There is found among the paintings a great variety of subjects. William Ritschei has painted the sea off the rocky coast of California with great strength, truth, and virility. Albert dustry may assume when the islands are able to supply an increased demand. The National Museum is fortunate in having a good collection of these native hats, the manufacture of which is well rocky coast of California with great strength, truth, and virility. Albert Groll took the Arizona desert for his subject, with its spacious sandy levels and open sky, and Lake Louise, with its high cloud-capped mountains. The Lake Louise painting won for him the George Inness gold medal at the show of the National Academy of Design last winter. Irving Couse paints not only Western of education, Manila, by Hugo H. Mil-ler. Among the different styles of hats are some made of fibrous material obare some made of fibrous material ob-tained from the buri palm, which for fineness of texture surpasses the popular Panama hats. Four different "straws" are obtained from the buri palm, which is one of the most valuable paims of the scenery, but the Indians, with feelig Philippines, in variety of useful products. These four "straws" are raffia, buri straw, Kalasiao straw, and buntal straw, of which the production of buri straw is the more widespread. The last two varieties are produced commercially in two districts only.

These Philippine hats have won a certain popularity in this country, but oddly enough not under their true name, but

manuel Episcopal Church at his home in Minnesota avenue last night. J. F. Hagan, director, conducted the meeting.

Funeral services for Mrs. Sarah A. Griffith were held yesterday morning from the Philippine Islands, which was once before shown in the Museum, will again sexpected that former President Taft, Egan, assistant pastor, officiating. Mrs. Griffith was seventy years of age at her death. The pallbearers were James A. or even "Italian straw" in the Museum collections comprise some thirty of these hats. The special Philippine terested to attend a hearing in his office to January 17, in connection with the construction of the Lincoln Memorial. It is expected that former President Taft, the opened to the public in a few days "Uncle" Joe Cannon, and others contributions to all persons interested to attend a hearing in his office terested to attend a hearing in his office on January 17, in connection with the construction of the Lincoln Memorial. It is expected that former President Taft, the principle of the public in a few days "Uncle" Joe Cannon, and others contributions to all persons interested to attend a hearing in his office on January 17, in connection with the construction of the Lincoln Memorial. Aids in Arranging Stage Effects of "Parsifal." Berlin, Jan. 5.-The performance of

"Parsifal" at the Royal Opera House, where it was produced for the first time tonight, has given the Kaiser another opportunity to exercise his, marked talents as an amateur stage manager. He took an active hand in preparing the stage arrangements and, together with Director Huelsenhaezier, dictated some of the effective settings of the "Grail scene." where it was produced for the first tim

Before the rehearsals, a large supply of costume mats were sent to the Kaiser for inspection and he chose a deep red silk for the mantles worn by the knights of the Holy Grail.

# THURSTON ON ROUNDS AS NEW SCHOOL HEAD

Recently Appointed Superintendent Plans to Make Daily Visits to Classrooms.

'TOO EARLY TO TALK POLICIES"

In accordance with his expressed invacation to interrupt the seasion.
"I am sure," he said, "that nobody, being unaware of the fact that the Christmas holidays had just ended, could

tell from the state of the classrooms that there had not been school the day before. Pupils and teachers seemed to have tak-Mr. Thurston visited the Ludlow school

at Sixth and G streets northeast, and the Simmons School (colored), in Pierce street near First street northwest. Had

he sufficient time to spare, he said, he would have inspected other schools before going to his office.

"I intend to spend two hours every day in the schools." Mr. Thurston said, "hoping in that way to keep in close touch with the classroom work. The most important work in the tendence of the schools." with the classroom work. The most important work is the teaching and, therefore, the closer I watch the classrooms the more effective will be my own work.

"I believe that the superintendent is responsible for the success of the educational organization, and I don't care to accept the responsibility without knowing what the conditions are and without keeping to the conditions are and without keeping.

what the conditions are and without keep-ing in touch with the situation. It is very interesting work."

The superintendent did not, of course, care to comment on what he had seen in the two schools visited by him yesterd No changes were in contemplation. No changes were in contemplation, he said, adding, "It is too early to talk poli-
